YOU CAN MAKE OUR CHARLES RIVER PARKS BETTER. VOLUNTEER WITH US TODAY!

The Charles River parks are more important than ever, offering refuge and green space, where community members can safely socially distance while recreating, exercising, and relaxing. The Charles River parks need YOU to help keep them a well-maintained space for the community.

Volunteer events are a great way to get outside, learn more about the river, have fun working with friends, coworkers, and neighbors, and help restore the centerpiece of Greater Boston's urban park system.

THE CONSERVANCY VOLUNTEERS IMPACT SINCE 2002:

We ask our corporate and for-profit volunteer groups to support our Conservancy Volunteers program with a tax-deductible donation to the Charles River Conservancy. This fee is based on the size of your group. Your contribution is vital to the work of the Conservancy and your organization's support will be recognized on the Conservancy Facebook and Twitter pages, and in our monthly newsletter which goes out to over 11,000 individuals. Signage with your company name will be displayed at the event and you will also receive an invitation to our volunteer recognition event.
