

## CHARLES RIVER ENVIRONMENTAL WATCH APPLICATION

Thank you for your interest in being a part of the Charles River Environmental Watch. As a member of the C.R.E.W., you can make a meaningful difference on your own schedule, from reporting on trail conditions and invasive plants online to picking up trash. You will be assigned a stretch of park that you will care for. Parks that C.R.E.W. members may be assigned to include parks along Memorial Drive, Greenough Boulevard, and Charles River Road, all sections of the parks that need more care and attention.

Please complete this application and return to us at [volunteer@thecharles.org](mailto:volunteer@thecharles.org).
